### St Paul's Court

Langley worked closely with John Hewitt Partnership and Contractor Ifield and Barrett on this challenging project for the Residents Association at St Paul's Court, Hammersmith.

Over 2,000m<sup>2</sup> of existing communal walkway asphalt and screed was stripped up down to the original asphalt layer and new red Paraphalt and insulation installed.

Details to staircases, landings and skirtings were carefully crafted by Ifield and Barrett operatives who provided a crimped non-slip finish to the red Asphalt.
